Dear Sam -

The enclosed letter Gary wrote
for me to send to all who can
& will write in my behalf.

He asked in his letter of complaint
last week for a Sat. hearing
for out of towners to attend.

I'm enclosing a check for your
expenses in phone calls in my
behalf. If it should be sent
directly to you, please let me
know.

I was up all night with den-
ther again & am washed out
today. But felt I wanted to let
you know how much I appre-
ciate your efforts.

Love

Daddy
